Jungle Jim is a school bus converted into a safe and fun preschool gym facility. Our bus will travel to your child's preschool once a week for a convenient, structured workout! I will teach basic gymnastics on the balance beam, horizontal bar, tumbling mats, rings and parallel bars. We will work on their Ninja Warrior skills on the rock wall, trampoline, monkey bars and obstacle courses. We also work on their cardio with the mini exercise bikes and tread mills. THE ZIPLINE, yes zipline. They ride it once a month. The workout equipment changes every month.

Jungle Jim is owned and operated by Dianne Waites. I am the owner of The Mobile Mouse and Mobile Masterpieces in Montgomery Alabama. For the past 24 years I have worked with preschool children teaching them computer skills, robotics and art. My interest for the past few years has been early childhood fitness. So Jungle Jim is here and ready to get your kids moving.
